MEMORANDUM FOR: Special Assistant to Director of Planning,  
Programming and Budgeting

SUBJECT : Joint OMB/Department of Justice Advisory  
Committee Management Memorandum

This is with reference to the draft OMB/Justice memorandum forwarded to this and other agencies by the OMB memorandum of 10 January, subject as above. The draft OMB memorandum would implement P. L. 92-463 (the Federal Advisory Committee Act) and E.O. 11686, which implements that Act. The Act and, consequently, the Executive Order and proposed memorandum provide for the management and use of "advisory committees". That term is defined by the statute to exclude, among other committees, "any committee which is composed wholly of full-time offices or employees of the Federal Government." The Act also provides that it shall not apply to any advisory committee "established or utilized by" CIA. The statute and implementing instruments therefore would not apply to USIB and USIB committees and subcommittees, nor to the various panels and advisory committees utilized by the Director, the DDS&T and other Agency components and officials. Thus, there would be no need for CIA to comment on the specifics of the memorandum. It might be in order to reply to OMB and Justice, as requested, to that effect.
